Junior Girls Series

Girls that register for the Junior Girls Series must enter another class first. Riders that are in the 12-u16 85cc or 13-u16 125cc age groups will have to ride the expert classes for their points to count in the Junior Girls Series. Riders that are in the 12-u16 85cc or 13-u16 125cc age groups can still choose to enter the novice classes, but they will not accumulate points for the Junior Girls Series. If a rider is racing multiple classes in the Series, they must nominate which class will count towards the Girls Series. Each round will be rescored as a percentage of how many riders are entered at the start of the day in that particular class, i.e. divide the finishing position by the number of riders entered in that class, and then multiply by 100. For example if a rider finishes 20th place overall out of 40 riders, she will receive 50 as a score ($20 \div 40 \times 100 = 50\%$). If another rider finishes 7th out of 12 riders, she will receive 58 as a score ($7 \div 12 \times 100 = 58\%$). The competitor with the lowest total score is the winner, and so on for the other competitors. If there is a tie on percentage then the junior girl with the best moto finish in their final race will be given the higher placing. Then the Junior Girls competitors will be rescored after each round as per the GCR's i.e. 35 points to 1st overall, 32 points for 2nd overall, 30 points for 3rd overall, 28 points for 4th overall, etc. Their points from whatever class they compete in will be tallied up at each round towards the Series.

- 8.2 To be eligible to compete in each of the senior classes, certain grades apply. Riders that start the series in a particular grade can stay in that grade for the remainder of the series, even if they are upgraded mid-season by MNSW. Please refer to your State Controlling Body for your current Motocross grading.
- 8.3 Juniors wishing to participate in any class MUST have a suitably endorsed competition licence and a Junior Logbook showing the correct endorsement. If not, the junior rider is INELIGIBLE to compete in that chosen class.
