July Permits and Annual Track Licensing

As all Clubs would be aware, all annual track licenses expired on June 30. Motorcycling NSW, our Venue Inspectors and NSW Sport & Recreation are working extremely hard to ensure that all track licenses are processed as soon as possible. To assist with this process in this busy time, we are asking that all Clubs, Coaches and Promoters forward through to the office all permit applications that for events in July. By providing the permit applications for your upcoming events, Motorcycling NSW and Sport & Recreation will be able to prioritise the order in which track licenses are processed. Your assistance and patience in this busy time is greatly appreciated.
