Fundraising Ride in Memory of Steve Anderson

Don't forget that the Fundraising Ride for the family of Steve Anderson will take place this Sunday, 7th June 2015. Panorama Motorcycle Club will be hosting the ride which will depart from Bathurst Showground and make its way to Ilford for lunch and back. The cost to participate is only \$50.00, and breakfast and lunch are included. For further details please contact Panorama Motorcycle Club President Bruce Morgan on 0418 635 845.

Update on the Nowra Motoplex

BIG NEWS - the new track will open on Saturday morning and be able to ridden all long weekend. We are very excited with the venue and are sure that the short term inconvenience will be forgotten when cutting laps of the **new layout**.

Please note - The venue will be open on Friday but the main track (including the short section) will not be available to enable us to put the final dressing and watering for the weekend. There will be machines on track so riding the main track will not be possible. The back track, the enduro loops, the 85s track and the kids tracks will all be open all weekend including Friday. Also, we will be closing the main track at 3pm on Saturday and Sunday afternoon so we can inspect the new section in the daylight. The remainder of the venue will be open after 3pm until its usual closing time of 4.30pm but the main track will close.

Come down for a ride and let us know what you think, if there are areas that need looking at, let us know, if it is awesome, let everyone know.

Hope to see you at the new and improved Motoplex.

[MotoGP Wild Card applications now open](#)

[Injury Reports](#)

Recently, Motorcycling NSW has received a number of incomplete injury reports returned to the office. We would like to take this opportunity to remind all of our Clubs and officials of the importance of fully and accurately completing this paperwork. Further, we advise that injury reports that are returned to the office which are incomplete will automatically result in the rider being noted on the medical suspension list regardless of the apparent injury, and will require a medical clearance prior to that member being allowed to re-commence participation. In addition to the above, the correspondence forwarded to the rider will note that their injury report was returned incomplete and they will be directed to address the Club or official with their concerns regarding the return of that correspondence.

[2016 State Championship Submissions - REMINDER](#)

A quick reminder to all Clubs and Promoters that submissions to host a NSW State Title (in all disciplines, excluding Speedway) in 2016 and for Speedway a 2015/2016 State Title are due in by 30 June 2015. Submissions cannot be accepted after this time except where another Club/Promoter has not applied.
