Motorcycling NSW is asking all members to provide as many photos or footage as possible from 2015 to be included in the presentation video at the Motorcycling NSW Night of Champions. Hi-res video and pictures from all disciplines are required so that the presentation can take place on the giant screen. ### **Updated Forms from NSW Sport & Recreation**

We have been advised by NSW Sport & Recreation that they have updated their Serious Injury Report and Compliance Certificate, all Clubs are now required to utilise these updated forms. Sport & Recreation are no longer able to accept the older versions of these forms and in the event the older versions are returned to Sport & Rec the Club will be requested to resubmit the correct paperwork. Both forms are available on the Motorcycling NSW website [HERE](#) and the Compliance Certificate has been included with each Sport & Rec Track Licence (pre-populated) and MA permit (blank) from this week onwards.

### **Permits and Annual Track Licensing**

As all Clubs would be aware, all annual track licenses expired on June 30. Motorcycling NSW, our Venue Inspectors and NSW Sport & Recreation are working extremely hard to ensure that all track licenses are processed as soon as possible. To assist with this process in this busy time, we are asking that all Clubs, Coaches and Promoters forward through to the office all permit applications that for upcoming events as soon as possible, even before the standard two week timeframe. By providing the permit applications for your upcoming events, Motorcycling NSW and Sport & Recreation will be able to prioritise the order in which track licenses are processed. Your assistance and patience in this busy time is greatly appreciated.

**2015 Night of Champions**

Owing to an unfortunate clash of dates with a Supercross event in Sydney, the 2015 Night of Champions date will have to change dates from our traditional date of the last Saturday in November. At this stage the event is likely to proceed on Saturday, 5<sup>th</sup> December 2015, however this is subject to Board confirmation. Further details will be provided once they emerge.
