New layout for Motoplex proves “Horn” and “Mint”!!!

Visitors to the Nowra Motoplex last weekend were treated to a special surprise with the new track layout being officially open for riding.

Motorcycling NSW has welcomed all feedback from the almost 300 members who took the opportunity to get in some track time and the response has been overwhelmingly positive with the track being labelled both “Horn” and “Mint”. Although we are unsure exactly what that means, with the other positive comments coming in we can only assume that it means awesome.

Make sure to get down to the Nowra Motoplex and check out the changes to the venue that the Motoplex Management have worked hard to put in place – the venue looks brand new and the track is awesome. The Motoplex is open every Friday to Monday and every day of the school holidays. Make sure to check the Motoplex website and Facebook page for all the latest information and any planned track work.

2015 Night of Champions

Owing to an unfortunate clash of dates with a Supercross event in Sydney, the 2015 Night of Champions date will have to change dates from our traditional date of the last Saturday in November. At this stage the event is likely to proceed on Saturday, 5th December 2015, however this is subject to Board confirmation. Further details will be provided once they emerge.

Injury Reports

Recently, Motorcycling NSW has received a number of incomplete injury reports returned to the office. We would like to take this opportunity to remind all of our Clubs and officials of the importance of fully and accurately completing this paperwork. Further, we advise that injury reports that are returned to the office which are incomplete will automatically result in the rider being noted on the medical suspension list regardless of the apparent injury, and will require a medical clearance prior to that member being allowed to re-commence participation. In addition to the above, the correspondence forwarded to the rider will note that their injury report was returned incomplete and they will be directed to address the Club or official with their concerns regarding the return of that correspondence.

2016 State Championship Submissions - REMINDER

A quick reminder to all Clubs and Promoters that submissions to host a NSW State Title (in all disciplines, excluding Speedway) in 2016 and for Speedway a 2015/2016 State Title are due in by 30 June 2015. Submissions cannot be accepted after this time except where another Club/Promoter has not applied.
