IMPORTANT NOTICE FROM SPORT & RECREATION - Graham Coulton on leave

Motorcycling NSW has been informed that Mr. Graham Coulton, our main contact point in the Office of Sport & Recreation, will be on 12 months annual leave commencing Wednesday, 27th May 2015. Taking over from Graham for the next 12 months will be Mr. Kevin Frew. Kevin has commenced working with Graham straight away to ensure a smooth handover. It has been requested that from today any Motorsport related enquiries for Sport & Rec be directed to the main motorsport e-mail address motorsport@sport.nsw.gov.au.

This notification also serves as a timely reminder to our member Clubs and Promoters whose annual track licenses will expire on June 30, 2015. With Graham away during this time we are encouraging all Clubs to compile their track licensing applications and get them into the office as soon as possible.

NSW Riders selected to participate in the World Junior Motocross Championships

Two of NSW's top young motocross riders, Rhys Budd and Cooper Pozniak, have been chosen to participate and represent Australia in the World Junior Motocross Championships which will take place at El Molar in Spain on July 19. Motorcycling NSW would like to express their congratulations to both riders on this achievement.

Permit & Track Licensing Update

As most Clubs would be aware, Michelle Paxton who administers Motorcycling NSW's permits and track licenses has recently had to take some annual leave. We would like to take this opportunity to inform all Clubs and Race Secretaries that due to factors outside of her control Michelle will again be absent from the office from 4th June 2015 and will recommence in the office on 15 June 2015. We ask that all Clubs and Race Secretaries forward all paperwork for permits and track licensing for June by **Friday, 29th May 2015**. Paperwork that is not submitted by this time cannot be guaranteed to be processed. We thank all Clubs and Secretaries for their cooperation and understanding.

2015 Speedway World Cup Squad announced

Four of the ten man team to represent Australia at the upcoming 2015 FIM Monster Energy Speedway World Cup will be doing NSW proud when they take the world stage at King's Lynn in Great Britain on June 8. Captained by NSW's own 2012 World Champion Chris Holder, Australia will be well placed to push towards making it into the final. The full release can be found [here](#)

Improvements to Nowra Motoplex Rev Up as State & National Championships Approach

Those that attend the Motoplex often would have noticed the improvements that are happening at the venue and its infrastructure on a regular basis.

After much consultation and feedback, the Motoplex Management will commence the next phase of the upgrade with amendments being made to the main track.

From this weekend, the back section of the main track will be closed to the public to enable the Motoplex staff to continue the changes and the machine work to be done in the quickest timeframe possible. The Motoplex will remain open during this period and the main track is still being used with a cut off in place. The sand track and the enduro trails are also open.

To check out the proposed works, head to the Nowra Motoplex [website](#) or [Facebook](#) page.

Track Licensing Update

A quick notice to all Clubs who have forwarded their annual track licensing paperwork to advise that venue inspectors are being appointed at the moment. We envisage that by mid next week inspectors will be confirmed and their inspection paperwork will be issued out. We ask that all Clubs refrain where possible from contacting Michelle on Monday with their track licensing enquiries if it is only a simple follow up call, as she will be working hard to get the paperwork in the post to facilitate the venue inspections taking place.

Fundraising Ride in Memory of Steve Anderson

Many members would be aware of a rider, Steve Anderson, who passed away after a tragic motorcycle accident on the track last year whilst competing. Steve was a member of the Panorama Motorcycle Club and the Club have remained in contact with Steve's family during this time. Unfortunately though in addition to learning to live without Steve in their lives, the family's issues have compounded with additional financial burdens being placed on Steve's partner Sandra and their three small children. Panorama Motorcycle Club will be holding a fundraising ride on Sunday, 7 June which will depart from Bathurst Showground and make its way to Ilford for lunch and back. The cost to participate is \$50.00, and breakfast and lunch are included. For further details please contact Panorama Motorcycle Club President Bruce Morgan on 0418 635 845

Injury Reports

Recently, Motorcycling NSW has received a number of incomplete injury reports returned to the office. We would like to take this opportunity to remind all of our Clubs and officials of the importance of fully and accurately completing this paperwork. Further, we advise that injury reports that are returned to the office which are incomplete will automatically result in the rider being noted on the medical suspension list regardless of the apparent injury, and will require a medical clearance prior to that member being allowed to re-commence participation. In addition to the above, the correspondence forwarded to the rider will note that their injury report was returned incomplete and they will be directed to address the Club or official with their concerns regarding the return of that correspondence.

2016 State Championship Submissions

Motorcycling NSW is calling for Clubs and Promoters to submit their 2016 (2015-2015 for Speedway) State Championship submissions by 30 June 2015. Check out the Motorcycling NSW website for further details.

THE BIT AT THE END...

Motorcycling is for everybody... both riders and udders.
Why? Just becows...
