

RULE INTERPRETATION

Information Bulletin #1505

11th February 2015

Supported by:

Australian Government
Australian Sports Commission

Affected Disciplines:

Motocross, Enduro, Dirt Track, Track, Minikhana

Rule pertains to:

Original Equipment Manufacturer (OEM) components in 50cc Demo and Auto class machines

Current rule in the 2015 Manual of Motorcycle Sport:

GCRs 15.24.6-7; 17.19.5-6; 20.17; 21.18; 24.11

Background to the request:

Clarification requested on eligibility around the use of performance parts available as optional extras for 50cc machines.

Interpretation:

Standard OEM specification for the model is defined as “as the machine was originally manufactured”.

Aftermarket or optional components are not eligible unless specifically stated as eligible within the regulations.
